

HONDURAS BUSINESS PROCESS OPERATIONS

CORPORATE CAPABILITY STATEMENT

Specialized language services & subcontracting support | 2026

SUPPORT FOR LSPs, RESEARCH ORGANIZATIONS & PRIME CONTRACTORS

HBPO is a Honduras-based operation supporting interpretation coordination, multilingual content and related subcontracting services. Each engagement is defined by the statement of work, required qualifications, available resources and accepted terms.

CORE CAPABILITIES

Interpretation

Simultaneous, consecutive, scheduled remote, OPI/VRI and case-by-case on-site coordination.

Multilingual content

Translation, transcription, subtitling, voice-over and audiovisual localization.

Linguist operations

Sourcing, qualification review, availability confirmation and project scheduling.

Procurement support

Opportunity research, scope assessment and subcontracting coordination.

DELIVERY & COORDINATION

01 Scope

Confirm languages, delivery mode, volumes, timing and requirements.

02 Fit

Review credentials, availability and applicable documentation.

03 Terms

Define billing units, minimums, assumptions and acceptance.

04 Delivery

Coordinate agreed work and review deliverables and feedback.

COMPANY PROFILE

BUSINESS BASE

Tela, Atlántida, Honduras

STRUCTURE

Honduran individual merchant business

DELIVERY MODEL

Remote; on-site on confirmed basis

RELEVANT PROFESSIONAL EXPERIENCE

Founder Christian Villafuerte brings individual Spanish-English interpreting experience, public-meeting delivery, procurement research and proposal preparation. This experience is distinct from HBPO corporate contract awards.

CONTACT & NEXT STEPS

Contact the business representative to discuss a scope, request verifiable documentation and agree a written, project-specific quotation.
